

# Health & Social Care Transition Project

- Level 3 Cambridge Technical Extended Certificate in Health and Social Care.

You will study 3 units each year (so 6 in total). You will also study 1 of these units throughout the two years.

## Year 12:

- Equality, diversity and rights in health and social care - examined unit (January 2022)
- Health, Safety and security in health and social care - examined unit (summer 2022)
- Public Health - coursework unit (this is an optional unit and may change)

## Year 13

- Building positive relationships in health and social care - coursework unit  
NB This unit includes interactions with service users which will be observed/recorded. This will either be in a voluntary care setting or role play.
- Sexual health, reproduction and early development stages - coursework unit (this is an optional unit and may change)

## Years 12 and 13

- Anatomy and physiology for health and social care - examined unit (summer 2023)

Task: Watch this clip where Dr Alex talks about careers in nursing, Complete the questions (you will get more information for the answers as the clip goes on).

<https://vimeo.com/305430190>

1. What different people can you work with in nursing?
2. What are the different places that you could work in?
3. What does Charlotte think are the great things about nursing?
4. What kind of skills and characteristics does she say she needs to use?
5. What qualifications do you need? What ways can you enter into nursing?
6. What challenges are there?
7. What benefits are there?

\*\*\*\*\*

Task: Research your local GP surgery

Name of the and location of the surgery	
What different services do they provide? I.e. health promotion such as stop smoking, clinics (eg antenatal), mental health etc.	
What are the different methods of seeking support from them? I.e. phone, email etc.	
Additional information	

\*\*\*\*\*

Task: Research a short overview of the job role and entry requirements for each of these careers.

What roles and responsibilities will they have? You will need to pick a specific type of each as there are so many areas you can go into.

Use either of the following websites

<https://www.stepintothenhhs.nhs.uk/careers>

<https://www.healthcareers.nhs.uk/explore-roles>

General Practitioner- GP	
Entry requirements	
Salary range	
Roles and responsibilities	

Nursing	
What type of nursing have you researched?	
Entry requirements	
Salary range	
Roles and responsibilities	

Paramedic	
Entry requirements	
Salary range	
Roles and responsibilities	

Midwife	
Entry requirements	
Salary range	
Roles and responsibilities	

Choose one other you are interested	
What career have you researched?	
Entry requirements	
Salary range	
Roles and responsibilities	

The NHS websites you have used for the task above are useful for finding out NHS careers you may be interested in.

Watch this documentary: [Caring and Sharing](https://www.bbc.co.uk/iplayer/episode/p06zhfvw/the-nine-to-five-with-stacey-dooley-series-1-2-caring-and-sharing)

<https://www.bbc.co.uk/iplayer/episode/p06zhfvw/the-nine-to-five-with-stacey-dooley-series-1-2-caring-and-sharing>

Review/synopsis: Write a short summary about the documentary. Who, what, where, when, why? Include all key information of the story. Explain what was thought-provoking about it and the questions it led to. How did it make you feel?

\*\*\*\*\*

### **Health and Social Care and Public Health**

Consider a Public Health campaign - for example Covid "Hands Face Space", Change4life, NHS Better Health, Smoke Free.

- What was the campaign?
- How did they get the message across to people?
- How effective do you think that was?

- Do you have any suggestions for improving the message?
