

The Magnificent 7: Checklist

	The Magnificent Seven	Questions	No	?	Yes
1	Create a timetable	Do you know how long you have until the exams and created a plan?			
2	Plan your revision content	Have you broken down the subjects by topic/theme and planned the times when you will focus on them?			
3	Organise your revision materials	Have you got a clear set of materials devoted to just revising for the exams such as revision folders?			
4	Build up your knowledge first	Have you made Knowledge Organisers for your subjects/topics/themes?			
5	Test your knowledge	Have you created quiz cards for your topics/themes?			
6	Practise, practise, practise	Have you created a weekly planner for the times when you will be practising and self testing the quizzes?			
7	Past papers	Have you tried to change questions from past papers to test more of what you know?
