Dear Parents and Carers,

We are proud to announce that we have been accredited with the Wellbeing Award for Schools. A national standard for positive mental health and emotional wellbeing.

This is a fantastic achievement for our school community, and we are so proud that it has been recognised. Although we have been accredited for three years, we will continue to provide the upmost support for our school community.

Feedback points following on from our verification include:

“Students feel the school has broken the stigma around mental health”.

“Staff feel the school cares about them”.

“Parents spoke positively of the support offered”.

“Wellbeing is at the heart of the school”.

I would like to take this opportunity to thank you for your support and communication. To echo the feedback “Wellbeing is at the heart of the school”.

Yours sincerely,

Mrs Gilton
Assistant Headteacher – Pastoral Care, Standards & Outcomes
